2026 will mark 100 years of breeding and registering performance horses for the Canadian Sport Horse Association.

Our Goal is to secure 100 stallions in honour of 100 years, and we'd love to have you share in this celebration with us!

With the generosity of your stallion donations in 2025, we were able to give back to our members and donate or sponsor more than **\$25, 000** in show prizes, symposiums and clinics.

The Canadian Sport Horse Association's annual Stallion Service Auction will be held February 6-14, 2026, with a second round for unsold services – Feb 15-16, 2026.

(Hot tip: 2 life memberships are up for bid in the upcoming 2026 Stallion Service Auction.)

Important

DONATION INFORMATION

Foals are the best advertising for your stallion and through your contribution to the auction and those of our sponsors, we are endeavoring to provide meaningful opportunities to showcase the offspring and promote our Canadian Sport Horses. We commit to a robust promotion of stallions across our social platforms and website as soon as we receive your commitment to the Stallion Service Auction.

Additionally, as a thank you to our breeders, the 2027 annual activation fee will be waived for the stallions sold through the 2026 auction. Foals born from a donated service also receive their registration at no cost.

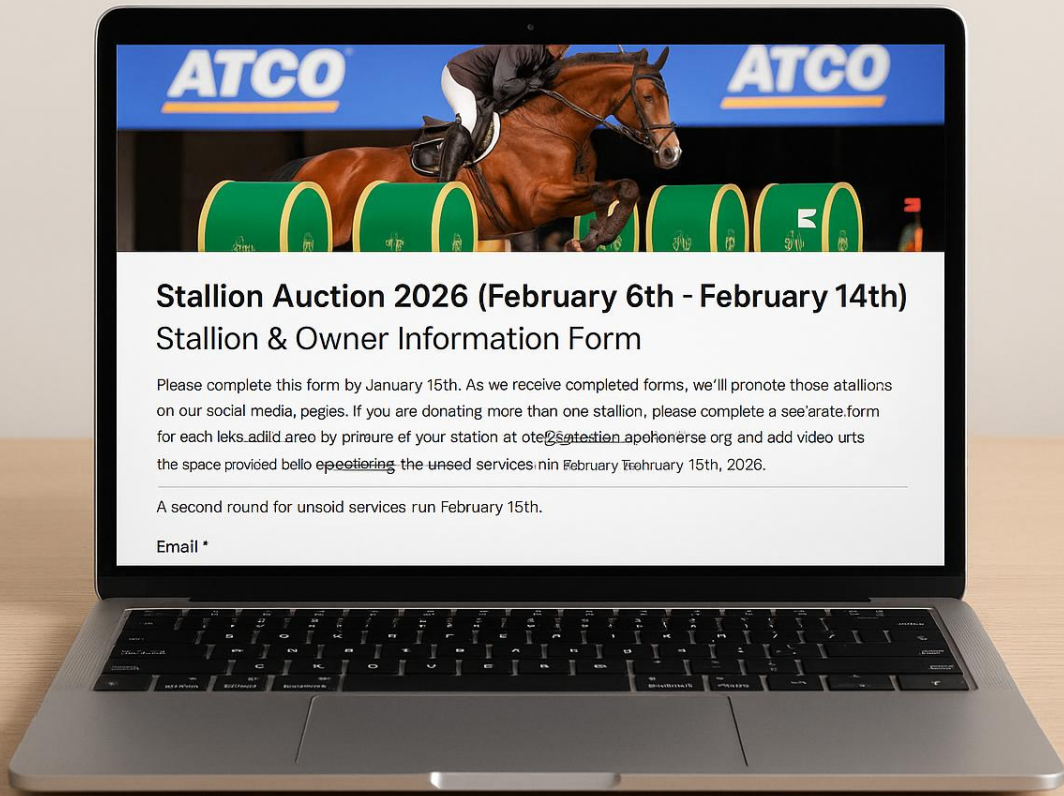

In summary, the auction provides:

- Advertising and promotion of your stallion throughout the year, including before and during the auction
- Waived 2027 activation fee if stallion sells in auction
- Free registration for foals resulting from donated services

Fees such as collection, shipping or mare care can be donated or at the mare owner's expense.

We ask that stallion information be completed no later than **JANUARY 23** to allow us ample time to promote your stallion's participation in the auction.
