## PREPARING THE LINE HORSE

Don't miss this opportunity to clinic with Andrea for expert feedback and tips prior to the line shows and Cup Qualifier classes!

*Karen Elizabeth*

### ABOUT ANDREA:

With a lifelong ambition in breeding horses, I pursued my passion by studying Breeding and Reproduction Management at Olds College in Alberta. I further honed my skills by competing with the Canadian Warmblood Horse Breeders Association (CWHBA) in Denmark as part of the young breeders team and representing the Ontario Chapter in various capacities.

For over 15 years, I have showcased my horses in Cup classes, earning wins at the Royal Agricultural Winter Fair (RAWF) in the LT Cup, as well as numerous top 5 placings in both the GG and LT Cup. In my two-decade career, I have dedicated myself to raising, breeding, training, and starting horses, fulfilling my lifelong dream in the equine industry.
